'Uhhhh Val, we have to get to study hall, fast, wanna work on the party then?' Val looked a little regretful, 'you see Sab, I really need to catch up with a few other classes, how about we work on it tonight? I can come over if you wan,' Sabrina looked serious began to speak but Val cut her off before she got anywhere, 'You don't want me at you're place do you! I really stuffed it up at lunch between you and Harvey didn't I! I'm so sorryâ€'|' Sab tried to talk again, 'it's ok! I want you to come over, I was just thinking, I was meant to meet Harvey at the slicery after school, maybe we can stop off there and get some pizza and then work on the plans.' Valerie still looked really down so Sab added, ' Hey that's a real great idea of yours Val! What would I do without you!'

Harvey, Sabrina and Valerie were at Sabrina's house trying to think of the final plans, getting nowhere, Harvey was no help what-so-ever but Sab was happy that he came at all, and Valerie, well she was freaking out completely, Sabrina herself was beginning to get a little dazed herself.

Cccccccrrrrrrrrrruuuuuuuunnnnnnnnncccccchhhhhhhhhhhhhhhhhhh!!!!!!!!!!!!!!
!!!!!!!!!!!!!!

Harvey leapt up, 'What was that??!?!?' Sabrina quickly froze time, just in time to see her aunts crash down the stairs in a sleigh. 'Aunt Hilda! Aunt Zelda! My Friends Are Here!' Sabrina Â½ screamed.

Hilda wasn't too happy anyway, 'It was YOUR fault Zelda! YOU said you could steer that!' 'How was I to know that Comet doesn't like lightening! Ok ok, let's deal with Sabrina's friends before we start world war 3!' Hilda zapped the sleigh and a very annoyed Comet away and Zelda surveyed the scene, Valerie was in mid pace land Harvey was somewhere between sitting and standing, they both looked stunned. 'Ok what to do with these?' Hilda asked, 'I know how about we leave them for a minute and think of what to tell them!' Sabrina was standing with Zelda and nodded in agreement 'anything Aunt Hilda, anything.'
